Top Ten Mistakes Boards Make Which Lead to a Loss of Control**

- 10 The board either meets too often or not enough.
- 9 Board meetings lack concrete agendas.
- 8 The board has an even number of members, thus prohibiting a majority or a consensus.
- 7 The board fails to articulate its vision and to manage expectations. It fails to transform negatives into positives.
- 6 The board micromanages the administration and faculty.
- 5 The board allows donors to run the school.
- 4 The board does not beware of Greeks bearing gifts. They unwisely accept folks onto the board who are asking in, without identifying their hidden agenda.
- 3 The board gradually allows lay religious organizations to take over.
- 2 There are board members who are parents without disinterest.
- 1 The board stops praying.
