

ADMISSION POLICY

Padre Pio Academy admits any student regardless of race, color, national or ethnic origin.

Students who are not Catholic may be admitted to the school with the explicit understanding that all students must participate in all activities in the school including classes of Religion and Theology. The entire curriculum is permeated with Catholic philosophy. Prayer and daily Catholic devotion are an integral part of the school's day and the traditional Latin Mass is celebrated three days a week at the school. All students are required to participate in these Catholic cultural and liturgical activities.

We do not discriminate on the basis of race in the administration of our educational policies, admission policies, and all school administered programs.

Our school only accepts full-time students. A full-time student is defined as a student that is present at the school during normal hours of operation, and takes the required load of courses for their grade level and participates in all school activities including fundraisers.

Potential candidates are required to submit three letters of recommendation from a priest, previous teacher or friend. The parents also must provide the school with their child(ren)'s latest report cards. All potential students and their parents must schedule an interview with the Principal and Chaplain prior to admission.

All students will be notified within a timely manner following the interview whether their child(ren) will be accepted for admission. If there is a known prior concern or problem that would affect the child's performance in the classroom setting {and it is not disclosed prior to admission}, it could be reason for the removal of the child from the school and termination of tuition contract. If this were to occur, the family would not be responsible for any further tuition payments. The school would refund any payment made beyond the last day of the month in which the child attended.

All pre-admission paperwork must be turned in with a non-refundable \$200.00 deposit within one month of acceptance or March 1st {whichever is later} for the upcoming school year.
