Parent/Tutor Grading Agreement

Imago Dei Classical Academy offers grading services to you, the parent or legal guardian of an enrolled student.

Imago Dei Classical Academy offers such services through a Tutor(s) and/or Administrator(s) who will strive to gauge accurately your child’s progress in accordance with the standards provided by Mother of Divine Grace School. However, you fully understand that you bear the ultimate responsibility for your child’s grades and all records pertaining to them.

You further understand that the Imago Dei Classical Academy assists homeschooling families, and that its Tutor(s) and Administrator(s) are not licensed teachers or educational professionals. The ultimate responsibility for teaching and assessing your child, and preserving and recording your child’s academic record, is your obligation as his or her primary teacher.

Further, you recognize it is your responsibility to submit grades to Mother of Divine Grace School (“MODG”) in accordance with its practices and policies if you are enrolled with MODG. If you are not enrolled with MODG, but desire, or are otherwise obligated to maintain, a transcript or other official record of grades for your student, it is solely your responsibility to do so. Imago Dei Classical Academy does not assume any responsibility to create or maintain such records.

I, _____, hereby agree to the foregoing.
